TRAINING PROGRAMME

RISK MANAGEMENT PREPARATION TEST QUALIFICATION 4 - 7

Good-quality human resources are needed to handle problems related to daily tasks. The implementation of risk management has become a necessity for banks institutions, not only to meet regulatory requirements but also as a means to manage the risks that will be faced by each bank. Therefore, banks are required to prepare their leaders to understand up-to-date knowledge of risk management and have sufficient skills to carry out their duties and responsibilities properly.
